MIDJ'S SCANDINAVIAN DESIGN

The name of the collection comes from designer Franco Poli deep and personal esteem for Hans Wegner, a 20th century designer who brought the Scandinavian school to be no longer just a niche style, but a universal definition of elegance, organic shapes, and functionality.

Oslo is also inspired by these values, creating a comfortable wooden seat worked with great skill; the colors of the backrest recall the coniferous forests of Scandinavia, giving the sensation of being surrounded by the scent of plants and the sound of waterfalls. The earth-colored leather is a further reference to nature, and, thanks to its softness, enhances the sinuous lines and shapes of the chair.
