THE ECLECTIC SOUL OF AN INNOVATIVE CHAIR

In polypropylene, leather, hide, wood, fabric or with a padded cushion: thanks to a wide possibility of customization, the Stack chair can be configured in many variants, playing with materials and colors to create bold contrast or balanced combinations. Its infinite personalities give an ever-new identity, leaving its surprising practicality untouched. It is this changing soul that makes Stack extremely versatile, able to adapt to the style of different spaces, whether it is a private house or a public space.
